2013 DIRECTORY OF LL.M. PROGRAMS

ABOUT THESE LISTINGS

Student Lawyer obtained the information for this directory by soliciting ABA-approved law schools, which were offered free listings of their ABA-approved LL.M. programs for graduates of US law schools. The display ads throughout the magazine were purchased by the advertisers.

Publication of this information does not constitute an endorsement or approval of any program by Student Lawyer, the ABA, or the Law Student Division.

Subject headings are not necessarily the precise name of the degree granted. FT means full-time; PT means part-time. Tuition is approximate and is per academic year unless otherwise noted.

Although Student Lawyer has taken reasonable steps to ensure the accuracy of each listing, the magazine is not responsible for any errors. All information is subject to change and should be confirmed with the schools directly. Questions about information in these listings also should be directed to the schools.

For further information on these and other LL.M. programs, visit www.americanbar.org/groups/legal_education.html.

AMERICAN BAR ASSOCIATION
CREATE A CAREER PLAN
BUILT AROUND YOU!
The Creative Lawyer: A Practical Guide to
Authentic Professional Satisfaction
BY MICHAEL F. MELCHER
The Creative Lawyer is a self-help
book for lawyers. It is a practical, fun,
inspirational guide to building and
maintaining a life that is personally and
professionally satisfying. Lawyers are the
highest-paid professionals in America,
yet have the lowest job satisfaction of
any profession. The problem is, most
lawyers don't understand how to make
themselves happy. The Creative Lawyer shows lawyers how to
design an optimal career and life.
The book includes a framework plus tools for dealing
effectively with career transitions, whether that means moving
into a new job or into a different career altogether. Self-coaching
techniques are also described. By the end of the book, the
reader will have a different attitude toward the possibilities of
life and career, will have fully evaluated his or her experiences,
interests and ambitions, and will have created a plan for life and
career that corresponds to who he or she actually is.
