Fall Recruitment Registration
On-campus interviews provide employers with an efficient and cost-effective way to interview many qualified students for summer associates and entry-level attorney hires during a concentrated time period. We will be happy to set up interviews with those students with whom you would like to meet. If you are unable to join us on campus, you can also use this opportunity to collect student resumes if you so desire.

We are currently taking reservations for 2013 Fall Recruitment (recruitment begins on August 19th and runs through October 30.) If you would like to participate, please register through our Symplicity System or contact Sarah Dunne (sarah.dunne@asu.edu).

If you have any questions about any of our services, please contact our office at 480-965-5808. We look forward to working with you to facilitate your recruitment needs.

Thank you,
